### **Discussion Questions**

1. Have someone in your group give a brief recap of Sunday's message, highlighting the primary Scripture points and the main idea of the message.
2. How did this message strengthen and/or correct your previous ideas about leaving a legacy of faithful discipleship? Was there anything you heard for the first time or that caught your attention, challenged, or confused you? Did you learn anything new about God or yourself this week?
3. What is the relationship between sound doctrine/teaching and godliness? What is at stake when Christian behavior doesn't match Christian doctrine?
4. Read Titus 2:1-8. Consider the list of characteristics for each of these categories of people.
  - a. Who in your life has influenced your faith? Which of these characteristics did they model?
  - b. Which of these characteristics do you emulate? Which of these characteristics do you feel challenged by and need to better embody?
5. What role does self control demonstrate in the life of a believer? How does self-control make the gospel attractive?
6. What step can you take to invest in the next generation?
7. What action step do you need to take in response to this week's message? How can your group hold you accountable to this step?
