WORSHIP [youtube.com/kingsworldrocks](https://www.youtube.com/kingsworldrocks)

MONTHLY BIBLE VERSE Gather four pieces of paper and a marker. On one piece of paper, draw a happy face. On one each of the remaining pieces, draw a sad face, angry face, and scared face. Place the different papers on the floor around the room. Call out one of the following feelings: *happy, sad, angry, or scared*. Have your child go to that face and stand by it. Say the memory verse together. Call out another feeling and repeat. Continue the activity until all four feelings have been called. Repeat as desired. After the activity, remind your child that Jesus loves us ALL the time- even when we are happy, sad, angry, or scared.

BIBLE TIME Read the Bible story aloud or visit [kingsworldrocks.com](https://www.kingsworldrocks.com) to experience KW at Home.

PRAYER "Dear God, thank You for sending Jesus to help us. Thank You that Jesus is always with us, listening, and ready to help. Please remind us to ask Jesus for help when we need it. We believe Jesus can help us. We love you, God. In Jesus' name, amen."

FAMILY ACTIVITY PARACHUTE HELPERS

For this activity, you will need a towel. Lay the towel flat on the floor. Ask your child to stand at one end of the towel and you stand at the other end. Ask them to help you move the towel up and down and side to side by holding the corners of the towel with their hands. Have them help you make it go fast and go slow. Continue as long as there is interest.

WHAT YOU CAN SAY: "Awesome job! You are such an amazing helper! Who helped the centurion in our story today? (Pause.) Yes, Jesus helped the centurion and made his servant all better. Jesus loves us so much, and He will always help us! **Who loves you? Jesus loves me!**"
