Discussion Questions

1. Read Hebrews 1:4-14 as a group. What stands out to you? Share your observations with the group.
2. The author of Hebrews quotes the Old Testament many times in this passage. What kinds of truths about Jesus can we learn from these Old Testament passages?
3. What kinds of things do we learn about angels in this passage? How does the author show his audience that Jesus is greater than the angels?
4. Read Hebrews 2:1-4 as a group. What stands out to you? Share your observations with the group.
5. What does the author of Hebrews want his audience to do in this passage? And what are the consequences that he warns of this passage?
6. We cannot lose our salvation in Christ. If it is genuine, we are secure forever (see John 6:37-40; Philippians 1:6). But we all must be on guard to not drift from the faith. How can you regularly pay attention to what you have been taught about Christ and the gospel?
7. Are there ways that you are currently tempted to drift from the faith? Or have you ever experienced this in the past? As things are discussed in the group, encourage and pray for one another.

Action Step

1. If you find that you are struggling with your faith, tell someone that you trust and ask them to pray for you and to help you. Also, please reach out to us and let us know, so that we can encourage you.
2. If you know someone who has drifted from the faith, take time this week to pray for them. Send them a message letting them know you are thinking about them.
